Docket Text:

ORDER in re [22] Motion for Reconsideration of Memorandum and Order. **DENIED.** Clear negligence on the part of the U.S. Trustee is found. After being allowed an extension of time to September 28, 2022, the U.S. Trustee filed her response to the motion to dismiss on that date, but still didn't file the transcript that the rules require her as the appellant to file. It was only after the case was dismissed that the U.S. Trustee deemed it fit to file the transcript. Signed by Senior Judge Francisco A. Besosa on 2/15/2023. (om)
